Why use Creative Melamine?

100% Food Grade Melamine

Our products are manufactured from 100% pure melamine which is fully compliant with food grade standards. We regularly test our products to ensure our products are safe for use in food service and comply with EU directives.

Durable & Strong

Melamine is significantly more durable than ceramics, making it a popular choice for strength and performance. Due to its durable construction, melamine has a much lower replacement rate than ceramics making it the ideal choice for maximised return on investment.

Shatter-proof

Melamine is extremely difficult to break and will not shatter if dropped, unlike typical ceramics.

Lightweight & ease of use

Thanks to a lightweight construction, melamine makes service less strenuous for staff who need to carry large trays loaded with plates of food.

Contemporary Modern Designs

With a diverse choice of innovative, modern and versatile designs from premium elegant styles to simplistic and contemporary designs, with Creative you can find melamine tableware and buffetware to suits the decor of any food service establishment. Creative Collections are suitable for everyday use, high-volume dining and outdoor dining.

Ceramic Look & Feel

The intricate design, detail and quality of our products replicate the look and feel of ceramics, making it an excellent alternative to ceramic products.

Product Diversity

We manufacture a wide range of melamine products including dipping dishes, trays, ramekins, display slabs, serve-ware essentials and much more. Creative collections are available in a wide range of colours, shapes and styles, making it an extremely versatile choice for use in a variety of settings.

Dishwasher Safe

Our products are 100% dishwasher safe. Due to melamine's high heat-retaining properties, it dries faster than standard dishware.

Sustainably Sourced

We want to give our customers peace of mind that the products they buy from us are sourced with respect for the environment whilst remaining affordable. A selection of Collections are produced using an eco-friendly melamine material which will not only stand the test of time, but greatly reduce our output to the environment. Derived from natural resources like plant extract and corn starch, our environmentally friendly products are the perfect choice for sustainable tableware and buffet solutions.

Peace of mind with lifetime warranty

We take great pride in providing the highest quality table and buffetware to the hospitality industry. We'd like all our customers to feel as confident about the products purchased from Creative as we are. Our Lifetime Warranty Policy demonstrates the quality of our manufacturing process and provides validity in the durability of all our products.

We do our best to ensure all products are manufactured to the highest standards and our top priority is ensuring our customers are happy. If you or your customers find that any of our products are faulty, or not fit for purpose, we guarantee full replacement.
